

Women's Leadership Council (WLC) is an affinity group of the United Way of Aiken County.

Founded in 2015, WLC is dedicated to transforming the lives of women and children in Aiken County through grant awards that advance their health, safety, education and economic status.

Mission and Focus Areas

The Mission is to advance the health, safety, education and economic status of Aiken County's women and children.

WLC will consider funding programs/projects/initiatives from organizations that demonstrate the ability to achieve measurable results.
