## Why United Way?

Sometimes we do not realize how truly blessed we are. We get lost in the daily grind, the rising costs, the polarization of our country, and the violence in our world. What we often forget is how lucky we really are.

Because of the funds we raise right here in our community from individuals like yourself, United Way can support our thirty partner agencies. You can help the hungry child, the lonely senior, the medically fragile, the adults and children with Special Needs, the victims of abuse, people suffering from mental health issues, and even those who are just down on their luck.

Our partnering agencies here in Aiken County touch the lives of thousands in our community. They provide programs in education, promote health & healing, provide crisis assistance, and ensure self-sufficiency with financial stability for those in need. These agencies bring unwavering passion to help those less fortunate, but they need our help to continue.

As we struggle with tighter costs in our household, many are at the tipping point. This is the time we must come together to truly help each other. This is the time United Way needs your support more than ever to continue investing in the lives of so many. Thank you in advance for your support and your willingness to LIVE UNITED!
