

UNITED WAY OF AIKEN COUNTY, INC.

ANNUAL REPORT

United Way of
Aiken County, Inc.

2022

MESSAGE FROM OUR LEADERS

Susie Ferrara and Sharon Rodgers
2022 Board Chair and UWAC CPO

We celebrated 70 years of service in our community in 2022. We are very excited about the acquisition of 159 Morgan Street, formerly Teen Town and the site of Aiken Senior Life Services, to be our new home. With a loan from Security Federal Bank and a \$250,000 allocation from the Plutonium Settlement from our fabulous Aiken County Legislative Delegation, we were able to close on July 28 and began renovations this past Fall. J.M. Stewart Builders is our amazing contractor. Other partners such as Aiken Electric Cooperative, Savannah River Nuclear Solutions, Savannah River Mission Completion and Security Federal Bank have provided additional sponsorships to assist with renovations. We look forward to cutting the ribbon to the new facility in April and sharing the space with partner agencies and our community!

In 2022, we faced many challenges which resulted abundant successes. We kicked off our Annual Campaign on August 26th at the Family YMCA with a Star Wars themed event. Campaign Chair Heather Raynack, as Princess Leia, and her 2022 Campaign Cabinet exceeded its goal and raised over \$2.3 million. RUN UNITED returned and raised over \$35,000. Other annual events such as the Kimberly Clark Golf Tournament, SRNS Site Services Golf Tournament, SRS Softball Tournament and SRNS Tritium Golf Tournaments were held yielding record proceeds and participation. The Monster Mash at the Red Barn brought awareness, Halloween fun and raised funds for our campaign!! Thank you to our Professional Chairs Andrew Siders and Christy Tyner for this smashing event.

The Forces of Good and Evil theme continued to provide needed services to our community as United Way and our 30 partner agencies worked to provide over 125,000 services to children, seniors, disabled, and people in crisis. Our 2021 Collective Impact Report assured our community that their investment of time, treasure, talent, and testimony were achieving measurable results as our collective 45 funded programs in the areas of Education, Financial Stability, Health, and Crisis Assistance filed annual reports and logic models on every funded program. These results made an impact on REAL PEOPLE and REAL LIVES right here in Aiken County. The 2021 report is available on our website at www.uwaiken.org and I invite you to read this information. The 2022 Impact Report is projected to be available by June 2023.

United Way is successful because of YOU, our generous and caring donors and supporters. We stand together to support what truly matters — the unserved in our community. Our sincere appreciation to our corporate contributors, volunteers, the United Way Board of Directors, and staff who made 2022 a very successful year.

NOTE FROM OUR CAMPAIGN CHAIR

Heather Raynack
2022 Campaign Chair

Sometimes we do not realize how truly blessed we are. We get lost in the daily grind, the rising costs, the polarization of our country, and the violence in our world. What we often forget is how lucky we really are.

Because of the funds we raised right here in our community this year with the help of individuals like yourself, United Way can support our thirty partner agencies. You are helping the hungry child, the lonely senior, the medically fragile, the adults and children with Special Needs, the victims of abuse, people suffering from mental health issues, and even those who are just down on their luck. Our partnering agencies here in Aiken County touch the lives of thousands in our community. They provide programs in education, promote health & healing, provide crisis assistance, and ensure self-sufficiency with financial stability for those in need. These agencies bring unwavering passion to help those less fortunate, but they need our help to continue. Your support is vital to United Way of Aiken County's ability to continue its support of these programs. Thank you for stepping up to help provide those necessary resources!

Your willingness to LIVE UNITED does not go unnoticed!

Thank you all for your continued support of
United Way of Aiken County!!

COMMUNITY IMPACT

The funds raised during the campaign are allocated to the funding of 45 Critical Need Programs that serve the residents of Aiken County. These services span a broad spectrum of need, ranging from chronic issues to one time occurrences. The one thing we all know about life is that it can be unpredictable. Sometimes things happen that we have no control over, or our bad decisions catch up to us and we have to face the consequences of those actions. The hope of United Way is that when we face those precarious situations, whether they are of our own making or not, and want to take responsibility, want to improve our status/situation(?), or just need assistance in a desperate time there is a system in place to help us, to be a guide and companion through that process. That is why these programs are called Critical Need, they are there for those who are reaching a breaking point, to help them up and support them as they get back on their feet.

Our goal is to work ourselves out of a job. Ideally, no one would need United Way, but until that time rolls around, we will be here to bolster the resolve of our community. United Way and our partner agencies will be here to strengthen the weak, cheer on the resilient and be that little extra bit of encouragement to those who need it.

It is only possible with the tremendous support of donors and volunteers. Community Impact is where those two things come together to make United Way an actionable organization.

*So, that all sounds great!
How do we do that??*

That is a great question!

That process starts with something we call a Care Council.

Donor **GIVES** to UWAC
(United Way of Aiken County)

UWAC Care Council allocates
funds to Critical Need
Programs

4 SERVICE AREAS

Education

Income

Health

Assistance
in Crisis

Agency Programs help people
RIGHT HERE IN AIKEN COUNTY!

Care Councils are made up of volunteers who:

- Vet Partner Agency Programs
- Review Funding Applications
- Recommend Funding Allocations
- Review Program Year-End Reports to make sure the programs are providing the services they are supposed to be in an efficient and effective manner.

**GOOD STEWARDSHIP IS KEY
TO THE UNITED WAY
PROCESS!**

COMMUNITY IMPACT

United Way of Aiken County's ability to vet and evaluate the critical need program funding requests is really only possible due to the diligence and thoughtful consideration of our Care Councils. We greatly appreciate the hard work of our Care Councils and their leaders.

COMMUNITY IMPACT

United Way of Aiken County strives to maximize the impact of the generous donations of our community. In order to do this, we partner with 35 non-profits that operate in Aiken County to fund 45 Critical Need Programs. These programs help all manner of people in need in our community. Whether its a one time thing or an ongoing issue there is a program to help. And though United Way of Aiken County may not specifically have a program that can help, one of our partners, the Aiken County 2-1-1 Help Line can get you in touch with just the right program to assist you with your specific need.

In addition to funding 45 Critical Need Programs, United Way of Aiken County administers multiple grants that bring hundreds of thousands of dollars into our community that provide great resources to Aiken County.

Grants Administered

In 2022 United Way of Aiken County administered 3 grants.

- ERA 1 Grant
- DSS Grant
- EFSP Grant

Resulting in \$425,373 in our community

Program Funding

United Way provided almost \$2 million in funding for 45 Critical Need Programs resulting in over 150,000 services provided to residents in Aiken County.

Partnerships

United Way partners with 30 agencies and numerous businesses in the area to provide funding and volunteers.

- Funding for 45 Critical Need Programs
- Hundreds of volunteers engaged

2022 EVENTS

We are so grateful for the support of so many organizations and individuals that make events successful and impactful to our community.

HUGE thanks to the UWAC Communications Committee for their help planning and executing these events!

PV REPORT

In 2022 Project VISION partnered with amazing volunteers to provide critical home repairs to the low-income and disabled seniors in Aiken County. The program began in 1996 as a one-day service initiative for Savannah River Site employees. In 2008, what was once a one-day service program, became a full-fledged program that receives an annual United Way allocation to provide home repairs for low-income and disabled seniors.

Collaboration and partnerships are vital to the Project VISION Program!

In 2022, the program partnered with 8 volunteer assessors. They provided 92 hours of combined assessment hours and another 70 hours of repair time. Community Partnerships provided over 2,500 hours of service, accounting for over 90% of the total hours of service for the whole program! The largest annual partnership, Agency Day of Caring, engaged over 200 Savannah River Site employees. Volunteers provided repairs for 12 partner agency facilities and 4 Project VISION residential client homes. Lastly, we must highlight our partners who provided above normal financial contributions that helped offset the cost of lumber and other necessary materials for wheelchair ramp construction and home builds in 2022.

A SPECIAL THANK YOU GOES TO:

Savannah River Nuclear Solutions, Savannah River National Laboratory, Savannah River Mission Completion, Sisters of Charity of South Carolina, Trinity United Methodist, Rotary Club of Aiken, and Aiken's First Baptist Church

2022 PROGRAM IMPACT

- 30 Clients Served**
- 102 Repairs Provided**
- 3,109 Hours of Volunteer Service**
- \$80K Labor Costs Saved**

AFFINITY GROUPS

WOMEN UNITED is an affinity group of United Way of Aiken County and is based on a belief in the collective power of women to improve the lives of Aiken County's women and children. Women United is dedicated to transforming Aiken through active and specific philanthropic investments to tackle our communities challenges. Designated funds collected from fundraising activities are used to award grants that advance the health, safety, education, and economic status of Aiken County's women and children. Since 2016, Women United has awarded over \$128,000 in grants and provided thousands of items to our four shelters.

YOUNG PHILANTHROPIST SOCIETY

United Way of Aiken County's Young Philanthropist Society is an affinity group that strives to create a fun atmosphere that allows young donors to have the opportunity to give back to their community through volunteering and monetary contributions. In 2022, YPS assisted with a number of United Way events and programs including refurbishing Born Learning Trails, Be a Bunny, Run United, School Tools, Kickoff, and the Ghostly Gathering. The YPS Steering Committee hosted a day of agency tours as a way to help YPS members understand the needs in our community and how United Way of Aiken County and our partner agencies seek to meet those needs. Members not only participated in YPS specific events, but many also participated in service projects through their companies including Project VISIONS's Day of Caring, Project Unite, and Project Power.

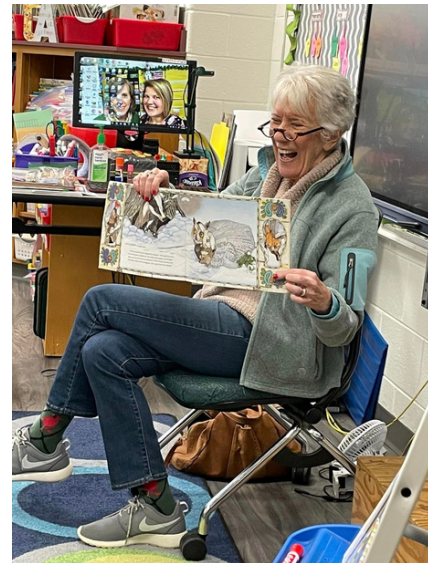

INITIATIVES

Success By 6

Success by 6 is a collaborative initiative that acts as a catalyst in the community to ensure that Aiken County children get the best start in life by creating awareness of the importance of literacy, early childcare and quality education. Components of the initiative include three programs:

- The Dolly Parton Imagination Library is a research based program that promotes literacy and encourages families and children to read together.
- Bookworms is a volunteer based reading program created by United Way of Aiken County to encourage a lifelong love of reading in young children. The program partners with schools and childcare facilities to read to and with children. Bookworms was back in full swing in 2022 with volunteers reading weekly with a Millbrook Elementary kindergarten class.
- Born Learning Trail provide interactive, engaging outdoor activities that stimulate cognitive development, promote early literacy and encourage physical activity among children. Trails are a great resource for parents and care givers as they spend time outdoors with their pre-k children. (visit www.uwaikei.org to find a complete list of trail locations)

INITIATIVES

Be a Bunny

United Way of Aiken County's annual Be a Bunny program collected over 600 Be a Bunny baskets full of comfort items for senior citizens in our community. These baskets are a great encouragement to seniors who are often homebound without much opportunity for getting out or having visitors. They serve as a small reminder that these members of our community are not forgotten. This program is only successful because of the generosity and dedication of many members of this community who take the time to thoughtfully put together the baskets.

School Tools

School Tools is an annual program that collects school supplies for children who may not otherwise be able to afford the things they need in order to succeed at school. United Way of Aiken County collects these supplies and then distributes them to each of the public schools in our county, so that teachers have access to extra supplies should a student be in need.

We would like to thank all of our donors for their financial support of United Way of Aiken County. It is through your generosity that thousands of people in our community receive assistance every year!

THANK
YOU

*The Annual Report is still in progress. A conscious effort was made to include all companies, organizations, and individuals who contributed to the Leadership Giving Society and provided all necessary information to United Way of Aiken County.

Any omissions are unintentional.
