# United Way of Aiken County, Inc. 2023 Annual Report

United Way of  
Aiken County, Inc.

# MESSAGE FROM UNITED WAY OF AIKEN COUNTY PRESIDENT & BOARD CHAIR

Josh Booth, United Way of Aiken County, Inc. 2023 Board Chair  
Ellen Luton, President of United Way of Aiken County, Inc.

2023 was a “NEW” year for United Way of Aiken County. We have achieved remarkable milestones, from purchasing and renovating our NEW building to seamlessly transitioning leadership as Sharon Rodgers, our esteemed President of over 15 years, retired and passed the reins to our NEW president Ellen Luton. We also welcomed Geneva Wright to our team as our NEW Director of Resource Development, further strengthening our dedication to serving Aiken County.

With unwavering support from our community partners, we celebrated the grand opening of our new building in April, providing an additional 2000 square feet of space for meetings, storage, and office facilities for United Way staff and several partner agencies. This expansion empowers us to amplify our impact on the Aiken community.

The 2023 Campaign took us "To Infinity and Beyond" soaring to new heights under the leadership of Board Chair, Josh Booth, and Campaign Chair, Cody Anderson. Our campaign slogan, "You've got a Friend in United Way" reminds of the purpose of our mission to improve lives in our community. Together with the help of our generous community partners, we were able to raise an impressive \$2.1 million.

Many passionate community supporters took this slogan to heart hosting successful fundraisers and events. Aiken Electric Cooperative set the pace for the campaign hosting the annual RUN UNITED 1/2 marathon, 10K, 5K, and Kids Fun Run. The SRS Softball Tournament, Kimberly Clark Golf Tournament, SRMC Golf Tournament, Centerra Chili Cookoff, SRTE Golf Tournament, and SRNS Site Services Golf Tournament further amplified their company workplace giving campaigns. Fun Day, sponsored by Publix, brought numerous families together to enjoy games and learn more about United Way and our partner agencies. The Professional Division's Ghostly Gathering held at the Gaston Livery Stables, was once again a success. Party goers donned their best Halloween costumes, enjoyed food provided by Aiken Regional Medical Centers, and purchased auction items to support the United Way of Aiken County. Together with the help of our generous community partners, we were able to raise an impressive \$2.1 million to fund 45 critical need programs administered by 30 dedicated partner agencies, creating a better future for our community.

We are able to provide these services because of volunteers and advocates like you. You are helping to feed a hungry child, provide medical assistance to a struggling senior citizen, a shelter for those who have lost theirs, provide employment opportunities for those who are differently abled, and so much more! Together we are a beacon of hope for those who need it. We are grateful that you recognize the need and choose to LIVE UNITED!

# CAMPAIGN CHAIR Cody Anderson

As the 2023 United Way of Aiken County Campaign Chair, I witnessed firsthand the generosity and giving spirit of our community. Watching the residents of Aiken County come together in support of United Way of Aiken County and its 30 partner agencies has truly been eye-opening to the giving nature of the residents. I am so proud to be a member of a community that prioritizes giving back and supporting one another through difficult times.

By giving to United Way of Aiken County, we have the ability to stretch a dollar and provide resources to the people in our community who find themselves in need. We can help feed the hungry, provide medical care for people with chronic illnesses, be a safety net for victims of domestic violence, provide shelter for children when they are no longer safe at home, help the elderly remain independent, assist families faced with the loss of jobs... the list goes on and on. Your efforts to lift up your neighbors in need do not go unnoticed! Thank you for supporting United Way of Aiken County as we seek to improve lives in our community!

# COMMUNITY IMPACT

---

United Way of Aiken County strives to maximize the impact of the generous donations of our community. In order to do this, we partner with 30 non-profits that operate in Aiken County to fund 45 Critical Need Programs. These programs help all manner of people in need in our community. Whether its a one time thing or an ongoing issue there is a program to help. And though United Way of Aiken County may not specifically have a program that can help, one of our partners, the Aiken County 2-1-1 Help Line can get you in touch with just the right program to assist you with your specific need.

In addition to funding 45 Critical Need Programs, United Way of Aiken County administers multiple grants that bring thousands of dollars into our community that provide great resources to Aiken County.

## Grants Administered in 2023

In 2023 United Way of Aiken County administered three grants:

- The Emergency Food and Shelter Program Grant
- The Emergency Rental Assistance 2 Grant
- Department of Social Services Grant

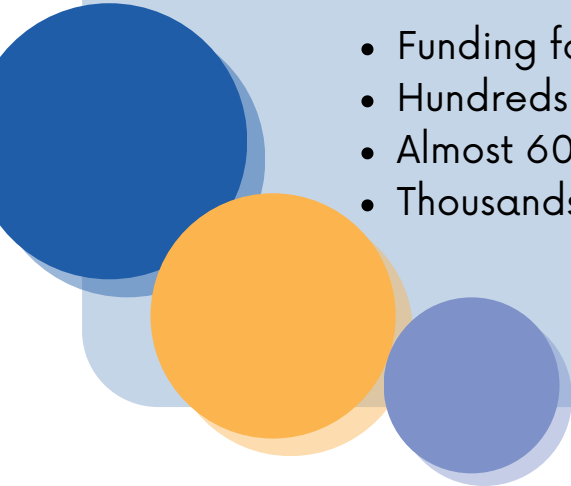

Resulting in over \$150,000 for our community.

## Program Funding

United Way provided almost \$1.7 million in funding for 45 Critical Need Programs resulting in over 150,000 services provided to residents in Aiken County.

## Partnerships

United Way partners with 30 agencies and numerous businesses in the area to provide funding and volunteers.

- Funding for 45 Critical Need Programs
  - Hundreds of volunteers engaged
  - Almost 600 Be a Bunny Baskets delivered
  - Thousands of school supplies donated

# PROJECT VISION

Project V.I.S.I.O.N. (PV) began 2023 with the installment of a new Committee Chair. Josh Booth, longtime PV assessor, brings with him skill and experience from years of participating in and leading home repair projects, including the construction of numerous wheelchair ramps. Project V.I.S.I.O.N. is a volunteer driven program. Through the dedication and hard work of volunteers ranging from church groups, corporate and business partners, community advocates, and many caring individuals, PV completed 192 repair projects, repairing homes and restoring hope for 64 clients in Aiken County! At least one project was completed each month in 2023, but often several projects were completed in a month. Some standout groups included: SRS's PV Day of Caring and Project Unite, Aiken Electric's Project Power, Aiken First Baptist's Mission HERE, WARM- ahatchie, "The Woodside Guys," First Presbyterian Church of Aiken, UPS Supply Chain Solutions, Huntington Ingalls, Salkehatchie, SRMC Summer Interns, and YPS. Project V.I.S.I.O.N is extremely grateful for all of the support from each volunteer and community member that takes the time to help! Together, we can repair homes and restore hope!

# AFFINITY GROUPS

## WOMEN UNITED (WU)

Women United is an affinity group of United Way of Aiken County and is based on a belief in the collective power of women to improve the lives of Aiken County's women and children. Women United is dedicated to transforming Aiken through active and specific philanthropic investments to tackle our community's challenges. Designated funds collected from fundraising activities are used to award grants that advance the health, safety, education, and economic status of Aiken County's women and children. Women United hosts an annual gala and Inspiration Tea, and in 2023 WU held its first leadership workshop. Since 2016, Women United has awarded over \$148,000 in grants and provided thousands of items to our four shelters.

## YOUNG PHILANTHROPISTS SOCIETY

United Way of Aiken County's Young Philanthropists Society (YPS) is an affinity group that strives to create a fun atmosphere that allows younger donors to have the opportunity to give back to their community through volunteering and monetary contributions.

In 2023, YPS assisted with a number of United Way events and programs including Be a Bunny, Run United, School Tools, Kickoff, the Ghostly Gathering, and the SRS Softball Tournament.

YPS members partnered with United Way's Project VISION to build a wheelchair ramp and restore an existing porch and stairs for an elderly homeowner. This made it easier and safer for her to go in and out of her home. Members not only participated in YPS specific events, but many also participated in service projects through their companies including Project VISIONS's Day of Caring, Project Unite, and Project Power.

# INITIATIVES

## SUCCESS BY 6<sup>®</sup>

Success by 6<sup>®</sup> is a collaborative initiative that acts as a catalyst in the community to ensure that Aiken County children get the best start in life by creating awareness of the importance of literacy, early childcare and quality education. Components of the initiative include three programs:

- The Dolly Parton Imagination Library is a research based program that promotes literacy and encourages families and children to read together.
- Bookworms is a volunteer based reading program created by United Way of Aiken County to encourage a lifelong love of reading in young children. The program partners with schools and childcare facilities to read to and with children. Bookworms was back in full swing in 2023 with volunteers reading weekly with a Millbrook Elementary kindergarten class.
- Born Learning Trail provide interactive, engaging outdoor activities that stimulate cognitive development, promote early literacy and encourage physical activity among children. Trails are a great resource for parents and care givers as they spend time outdoors with their pre-k children. (visit [www.uwaike.org](http://www.uwaike.org) to find a complete list of trail locations)

As part of Success By 6<sup>®</sup>, United Way of Aiken County also sponsors several installments of Story Time in the Gardens in partnership with the City of Aiken's Department of Parks, Recreation, and Tourism.

# INITIATIVES

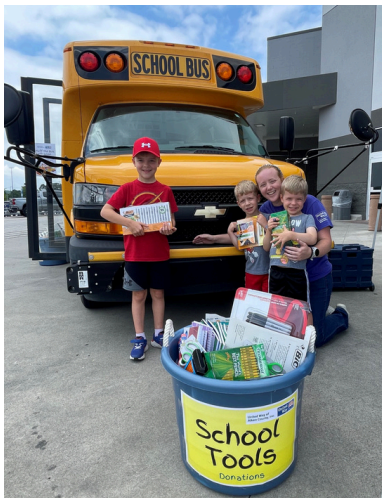

## Be a Bunny

United Way of Aiken County's annual Be a Bunny program collected over 600 Be a Bunny baskets full of comfort items for senior citizens in our community. These baskets are a great encouragement to seniors who are often homebound without much opportunity for getting out or having visitors. They serve as a small reminder that these members of our community are not forgotten. This program is only successful because of the generosity and dedication of many members of this community who take the time to thoughtfully put together the baskets.

## School Tools

School Tools is an annual program that collects school supplies for children who may not otherwise be able to afford the things they need in order to succeed at school. United Way of Aiken County collects these supplies and then distributes them to each of the public schools in our county, so that teachers have access to extra supplies should a student be in need.

# 2023 LEADERSHIP GIVERS

We would like to thank all of our donors for their financial support of United Way of Aiken County. It is through your generosity that thousands of people in our community receive assistance every year.
