FROM: John Mickalonis, Chair

Below is a list of the EFSP Phase 39 and ARPA-R allocations as recommended by the Board during the meeting on March 9, 2022. The current allocations of Phase 39 funding of \$40,072 with requests totaling \$44,175 and the current ARPA-R allocation of \$123,854 with requests totaling \$183,148 made the allocation decisions particularly difficult.
